

Carry this itinerary everywhere you go, every day!

PUNCTUALITY & CONDUCT RULES FOR STUDENTS

Students, it is impractical to treat you like small children needing an adult chaperone every minute but we must insist that you travel in groups at all times, **EVEN IN RESTROOMS**. So that we can take attendance at each stop, you must stay on the same van or bus throughout the trip unless we make a change for a special reason—**NO EXCEPTIONS!** You'll see your best friend when you're off the van or bus. Thank you.

Punctuality is a must for the trip to be a success. Being late holds up other people. Frequently late students will be sent to bed early that night as well as being fined as per your contract.

We will randomly check rooms each night. Conduct unbecoming a student ambassador such as smoking or drinking will be punished by losing night party privileges the rest of the trip. Stealing, using illegal drugs, or sexual conduct will get you sent straight home to your country.

Room phones, pay TV, and room service will be blocked. You'll have to use public phones or cell phones and pay in advance at the desk to use room service if the hotel has it.

PEACE is NOT responsible for lost or stolen articles; nor is a bus or van company or hotel. Don't leave money lay out in rooms or the van or bus or leave purses or wallets unguarded under seats in restaurants or elsewhere. Be careful in crowds.

LOST STUDENT PROCEDURES

STUDENT I.D. BADGES MUST BE WORN AROUND YOUR NECK AT ALL TIMES OUT OF YOUR ROOM FOR OUR CONVENIENCE AND YOUR SECURITY!!!

If you miss a van or bus or get lost and don't have a cell phone with you, ask police or a security person where you are to help. Show your schedule and ask them to phone us and report your location. Stay with that person until we find you.

Call us to report the location & phone # where you are. If no answer, call your host parents. If no answer call the local police. We then have three places to call to find you. If you go off in a taxi searching for your next stop or hotel, we'll be looking for you; but won't be able to find you!

EMERGENCY: DIAL 911 (FREE FROM ANY PHONE)

PARENTS: A copy of this should have been emailed to you. In addition to the contract you and your student were required to review, sign, and fax to us, please review this, too, so there are no misunderstandings. It takes years of experience to learn to require special rules or procedures. The more times they are reviewed before and during a trip the less problems we have during the trip.
