WORLD HEADQUARTERS * 40 WATER STREET * SUITE 700 * NEW PHILADELPHIA * PENNSYLVANIA * 17959

Dear Pastor or Father,

Many families who volunteer to host a foreign exchange student learn about the program from an announcement in their church bulletin. Hopefully our next one will hear of us through yours! Now that things have slowed down for the summer, perhaps there will be less local demands for space and you'll have room for us.

PEACE, a federally approved non-profit foundation, has over ten years of experience; and of all US State department *designated* programs, we are the most local to you, as we are the only one with world headquarters in Pennsylvania. We place no child more than 300 miles from the home office and your family & student would be served monthly by an area representative who lives within 50 miles or less. Nearly all of the home office and field staff have hosted, ourselves.

These students are academic high achievers who expect to be leaders in their communities as adults. Because we are a Christian oriented program (interdenominational), our students have additionally been screen for their morals, habits, manners, and beliefs. They are all Christians. Since all of our children come from Latin America, most are Catholic.

They can gain the best understanding of the United States and its people through participation in every day, Christian-American family life and school attendance while they perfect their English language skills. A host family can gain insight into another culture, as well as helping to shape a future leader's perception of our country. Both student and host family have the opportunity to form a lifelong bond of friendship.

We ask you to help us in our search for good, qualified host families by placing this announcement in your bulletin as often as possible until the season is over.

Your help and cooperation is greatly appreciated. If you have further questions or wish to host yourself, please call us at either number listed.

Sincerely,

Area Representative
