Phone: _____

Please place the below PSA on the church/religion page of your paper.
Run for more than one day if space allows. Thank you.

HOST FAMILIES NEEDED

P.E.A.C.E., INC., an international student exchange program, is in immediate need of warm, friendly families to host Latin American high school students ages 15-18, arriving soon for this school year.

P.E.A.C.E. Student Ambassadors must meet high standards in moral character, maturity, intellectual capacity, and congeniality, be non-users of tobacco and alcohol, and be of the Christian Faith. Students pay their own airfare, spending money and medical insurance. Host families provide a bed, meals, understanding and love. Students and families gain a lifelong friendship.

P.E.A.C.E. is a small, closely supervised, family oriented program with emphasis on providing a traditional American home environment while studying our history, social values, and political & economic system. To discover opportunities and solve the problems of our hemisphere, we must give each new generation the bilingual skills and bicultural understanding necessary to achieve *A Better World for all Americans in all the Americas.*

P.E.A.C.E. is an IRS determined 501c3, non-profit organization; is USIA State Department designated; is a corporate sponsor of Christian Educators Association International, Focus on the Family, and Family Radio; and is a member of the Pennsylvania State Chamber of Commerce.

P.E.A.C.E. world headquarters is located in Eastern-Central Pennsylvania at 40 Water Street, Suite 700, New Philadelphia, PA 17959. For information about either hosting or being an exchange student call 1-800-377-2232.

Or area rep _____ in _____ Ph. _____

Sincerely,

Richard S. Page
